

*Office of the
Vice President and Provost*

7/10/68

Dear Josh,

Sittig here munching my lunch
I've just read your column from
the June 29th Washington Post,
and I can't resist writing to say
it's absolutely superb.

I wish that I thought every Cong-
ressman in the capitol would read
and understand it.

Strength to your arm --the one
that wields thepen (or typewriter)!

Yours,

Dick L.
